ACTION PLAN FROM PROGRAM REVIEW AND PLANNING

San José State University
College of Science
Department of Computer Science
September 10, 2015

- 1. The department will work with Melinda Jackson to revise the M.S. program learning outcomes to reflect measurable skills and identify criteria for evaluating these outcomes. This should be completed by November 1, 2015.
- 2. The department will ensure that all course syllabi conform to the required accessible syllabus template.
- 3. The department will turn in the Program Review for CS100W to BOGS by November 1, 2015 to ensure that the course maintains its GE certification.
- 4. The department will determine if it will continue the recertification of the UNIX Certificate no later than November 1, 2015.
- 5. The next program review is due fall 2020.

Andrew H. Feinstein, Ph.D., Provost and VP Academic Affairs
