## **ENGL 1A Course Description**

ENGL 1A is an introductory writing course that will help you understand the writing process and the goals, dynamics, and genres of written communication. Through interpretation and analysis of texts, you will learn to think clearly and write effectively as you give form and coherence to complex ideas. You will explore writing for various audiences and rhetorical situations.

In this class specifically, we will analyze and write about the forces that surround us on a daily basis: advertising, the popular culture we consume, and the university itself. The idea here is to utilize writing to take a greater stake in our daily lives—to utilize the essay form to become more active participants in our culture(s).

# **ENGL 1A Learning Outcomes (GELO)**

Upon successful completion of the course, you will be able to

- 1 read actively and rhetorically;
- 2 perform the essential steps in the writing process (prewriting, organizing, composing, revising, and editing) and demonstrate an awareness of said performance;
- 3 articulate an awareness of and write according to the rhetorical features of texts, such as purpose, audience, context, and rhetorical appeals;
- 4 integrate your ideas and those of others by explaining, analyzing, developing, and criticizing ideas effectively in several genres;

5 demonstrate college-level language use, clarity, and grammatical proficiency in writing.

## **ENGL 1A Course Requirements and Assignments**

SJSU classes are designed such that in order to be successful, you are expected to spend a minimum of fortyfive hours for each unit of credit (normally three hours per unit per week), including preparing for class, participating in course activities, completing assignments, and so on.

#### **Required Texts**

#### Readings

We have no textbook for this class, but there is reading due for nearly every class. The reading can be found either linked in the syllabus or in as PDFs in Canvas.

## **Grading Policy**

Essay # 1 25%; Essay # 2 25 %; Essay 3 25%; Visual Essay 15 %; Participation 10 %

Participation includes miscellaneous work and your contributions to class discussion. This is not a lecture course, so you need to be prepared to talk.

The revision process is central to this class, so you will be responsible for writing a minimum of two complete drafts (more may be required, but never less) for each essay. While only the final draft will be graded, not turning in earlier drafts on time will result in a deduction of up to one letter grade.

Late papers (including drafts) will be docked up to one full letter grade each day they are late.

Students must receive a C- or higher to pass the course

#### About Grades

Requirements for particular assignments will vary, but in all cases essay grades will reflect the paper's effectiveness, which is broken down into three major areas: content (this includes maturity and sophistication of thought), organization, and expression.

An "A" range essay is organized and well-developed, demonstrating a clear understanding and fulfillment of the assignment, written in a unique and compelling voice. It will show the student's ability to use language effectively with a solid command of grammar, mechanics, and usage.

A "B" range essay demonstrates competence in the same categories as an "A" essay, but it may show slight weakness in one of these areas. It will respond to the topic suitably and may contain some grammatical, mechanical or usage errors.

A "C" range essay will complete the requirements of the assignment, but it will show weaknesses in fundamentals, such as development. It may show weakness in mastery of grammar, mechanics, usage, or voice.

A "D" range essay will neglect to meet all the requirements of the assignment or may be superficial in its treatment of the topic. It may lack development or fail to stay on topic. It may contain grammatical, mechanical, and/or usage errors that interfere with reader comprehension.

An "F" essay does not fulfill the requirements of the assignment.

A (92-100); A- (90-91); B+ (88-89); B (82-87); B- (80-81); C+ (78-79); C (70-77); C- (70-71); D+ (68-69); D (62-67); D- (60-61); F (<60)

## **Classroom Protocol**

You need to participate, be on time, and be courteous to your peers and to your teacher. When we are discussing the readings, you should either have a physical copy or a copy pulled up on a laptop or tablet. Your cell phone should remain in your pocket or bag unless you offer me a convincing argument as to why you need to have it out.
