

Terms and Conditions of International Lower Division Transfer Admission | Spring 2025

Provisional Admission

Your admission is provisional based on the academic information you provided on your application materials. Your admission will remain “provisional” until your official, final transcript(s) passes verification.

This offer of provisional admission to the academic plan (major) listed on your admission letter is only valid for this term and may not be deferred to another semester. In addition, change of major cannot be made before the beginning of the Spring 2025 semester and is not guaranteed. You must enroll in at least one course during the Spring 2025 semester to maintain your admission.

To ensure your enrollment and attendance at SJSU, all of the mandatory steps below must be completed.

Meet math enrollment requirements

Your math enrollment requirement will depend on your major, completed mathematics coursework, test scores, and other factors. Although SAT and ACT scores are not used for admission review, they may be used to help identify options for your first math course. You are encouraged (but not required) to submit them if you have them. If you have any questions about your math enrollment options, contact an advisor in your college's Student Success (Advising) Center by visiting sjsu.edu/advising/student-resources/advising.php

Send official test scores needed to fulfill admission requirements

If you have taken and passed IB, AL, AS, AP, CBSE, or CLEP exams to satisfy any of the CSU admission requirements, request that your official scores be sent so they are received by January 15, 2025.

Attend mandatory orientation

If you do not attend or leave during any portion of the orientation, you will not be able to attend SJSU in Spring 2025.

Send final transcripts by Wednesday, January 15, 2025

Send your official secondary mark sheets and official final transcript(s), including grades for the Fall 2024 term, no later than January 15, 2025. Failure to submit your transcript(s) will result in your admission being withdrawn.

Failure to pass final verification will result in your admission being withdrawn.

Complete international lower division transfer admission requirements

In addition to meeting the minimum requirements for international first-time freshman admission and impact, you must also maintain a minimum overall GPA of 2.0 or higher in all college coursework.

If you have taken Advanced Level exams (IB, AL, AS, AP, CBSE, or CLEP) to satisfy any of the admission requirements, contact the testing institution immediately and request that your official scores are sent directly to SJSU.
