BEST PRACTICES, REMINDERS & STAFFING UPDATES

- We encourage departments to regularly their <u>Open PO Report</u>. This becomes an increasingly important practice before the end of the Fiscal Year (FY).
- Identify POs that have a remaining balance, but the services and/or goods have been received.
- Once POs are identified, please submit all invoices towards your existing POs as soon as possible to <u>Payment Services</u> to ensure all current year transactions are paid towards the appropriate FY.

 If all invoices have been paid and you still have a remaining balance, please enter a <u>Change Order</u> to close each applicable PO.

- A <u>new requisition</u> should be entered for <u>each applicable FY</u> goods and/or services are received.
- FY 21-22 transactions cannot be paid on FY 20-21 Purchase Orders.
- Contracts & Procurement Services staff will also be reaching out to close out qualifying POs. A deadline for PO close will be provided.

Physical Inventory – FY 2018/19 Results Physical Inventory – FY 2021/22 New Tracking System: SqBx Intercampus and USPS Mail

Anales Surges Su

In April 2019, an outside vendor, HCA, came to SJSU to conduct our tri-annual Physical Inventory.

They had 3 representatives going from building to building, from campus to off-campus locations looking for SJSU tagged assets.

2,046 Assets

| 1,498 were located as expected | 75% |
|---|-----|
| 287 were found that had been disposed of 1 | 13% |
| 261 assets were missing | 12% |

What was the value of those missing assets?

\$3,968,961.37

Ansis and size of a size o

261 Assets **125** assets were located after additional research

- moved to new locations in same department
- transferred to other departments

136 assets removed from inventory (6.6% of the 2,046 assets)

- auctioned / traded-in
- discarded / e-waste
- donated
- unaccounted for

10 were not assets

duplicate entries

split purchases

services rendered

Documentation was provided at the time of disposal for a few of these assets, but not for all.

The Property Survey **Report is used to** update the status of University property.

SJSU SAN JOSÉ STATE UNIVERSITY

New Tracking System - SQBx

Coming soon... May 2021

Distribution Services is replacing its current tracking system. The new system will be more robust than its predecessor.

Internally, Distribution will have the ability to:

- run a wide range of reports
- communicate to drivers by tagging a tracking number with an alert
- automatically generate emails for special packages like chemicals or temperature controlled items when they are received

Externally, *Departments* will have the ability to:

- search for packages using the tracking number
- see if a package is out for delivery
- see who in the department signed for a delivered package
- request a pickup from their department
- alert Distribution Services of a special package handling request

We will be offering training to familiarize the departments with the program!

If someone from your department is on campus and is authorized to pick up mail from Distribution Services or to receive it in your location, please call (408) 924-1593 to make delivery/pickup arrangements.

We have Intercampus and USPS mail that we have been holding for the following extended zip codes.

PROCESS OF HEERF FUNDS

Two Processes:

1. Proposal Process:

- a. Strategic, close nexus to COVID, wide impact.
- b. Project Approval Form (PAF) via Division Budget Office

1. Reimbursement Process:

a. Expenses from direct impact of COVID not earlier submitted on a strategic proposal.

** ALL REQUESTS NEED TO BE ROUTED THROUGH THEIR DIVISION BUDGET OFFICE, AND APPROVED BY THEIR RESPECTIVE VICE PRESIDENT.

SPARTAN EATS

COVID-19 AND SAFETY MEASURES

In order to support a continuing re-opening in line with county ordinances, we are keeping with a range of options for appropriate distancing, we've classified solutions into a three-tier model. We have created this

plan for the **SAN JOSE STATE UNIVERSITY** with social distancing approached within the first tier, and retain the ability to evolve as necessary. The impact to service models, required equipment, hours of operation, safety enhancements, menu modifications and a plan for student and parent communications is outlined. The basic safety standards will not vary, but will be used across all campus venues.
