

### **Thesis Statement Workshop**

Have each group member read his/her thesis aloud and answer each question about his/her statement.  
Do not discuss the thesis until everyone has had an opportunity to record their thoughts.

1. What question is this thesis trying to answer (or prove)? \_\_\_\_\_

---

---

2. What topics do you think this student is going to research? \_\_\_\_\_

---

3. Is the thesis statement clear? Is the thesis statement simply observational? Why? \_\_\_\_\_

---

---

4. How could you narrow down or strengthen this thesis statement? \_\_\_\_\_
