Key Words in "A Wicked Voice"

- Supernatural
 - On page 161 Zaffirino's singing causes the Procuratessa Vendramin to die
- #Femme Fatale
 - Zaffirino is a castrato
 - Causes women to fall in love with him and then become horribly love sick, or die. (160)
 - Magnus describes the feminine beauty of Zaffirino's face (162)
- Uncanny
 - Magnus has bizarre dreams,
 - On page 167 he describes the marble floor becoming a reflecting pool and the air being full of the scent of white flowers
- On 162 there is also reference to the works of Swinburne and Baudelaire, which also feature themes of the femme fatale.
- Ghostly Seduction
 - On pages 179-180 Magnus sees the ghost of Zaffirino playing for a strange woman.
 - sexual description of his voice: "rich, voluptuous rificariturus (which is explained to describe "reflowering")"
