A TRUE STORY.

Cried Case, with anger's tinge upon his yellow,—
Pompey, for answer, pointing in a mirror
The Colonel's saffron, and his own japan,—
“Well, what has that to do—quick—speak outright,
boy?”

“O Massa”—(so the explanation ran)

“Massa be killed—'cause Massa *Orange Man*,
And Pompey killed—'cause Pompey not a *White*
Boy!”

“SHE WALKS IN BEAUTY, LIKE THE NIGHT.”

from 1830 *Comic Annual*
Parody of Byron's "She Walks in Beauty"
