

Dear Student,

Our course, EDEL 102, Foundations Psychology in Education will be using San Jose State's online learning management system Desire2Learn for the upcoming semester.

You will be able to log in and see the course list link in Desire2Learn about 7-10 days prior to the start of the course, but you won't be able to open the course link until the course goes "live" at midnight of the start date of the class. Here are directions for how to login:

Login URL: <http://sjsu.desire2learn.com>

Please note that it should NOT have the "www" at the start of the URL like many other websites.

Username: About 7-10 days prior to the start of the course, your Desire2Learn username can be found by logging into your [mySJSU](#) account, clicking on Self Service > Campus Personal Information > Names, and locating your Desire2Learn name (look for Name Type called D2L) from the list. Usernames will generally be in the form of firstname.lastname, but may have an appended number (e.g., firstname.lastname#) if there is more than one person with that name at SJSU. The mySJSU look-up will also be helpful for persons using middle names, hyphens, apostrophes, etc.

Password: Your initial Desire2Learn password is your 9 digit SJSU ID number. If you are new to D2L, I recommend that you visit the eCampus website at www.sjsu.edu/ecampus/students/

This website will provide you with information about log-in, and offers a number of Quick Start Learning Guides to help you navigate Desire2Learn tools.

If you have any log-in, password, or technical issues related to Desire2Learn, please contact the University Help Desk. The Help Desk can give technical support for password reset, browser problems, and other issues encountered in D2L Courses.

- Help Desk Phone: (408) 924-2377
- Submit a help ticket using the University Help Desk Submit Ticket page (<http://www.sjsu.edu/helpdesk/ticket>)

I look forward to an exciting course integrating D2L with our learning.
Wishing you all an excellent semester!

Roxana Marachi, Ph.D.
