Minutes

- Discussion of changes to break room guidance with color tier change in the Blueprint for a Safer Economy.
 - At this time, there will be no operational change for campus. We will continue using break spaces as before: no eating or drinking in shared break room spaces, spaces can be used by one person at a time and can be used to store or warm food.
- Also discussed what the CSU announcement regarding COVID-19 vaccination being required.
 - Discussed with the group that this was contingent on full FDA approval, which has not been received at this point. Systemwide counsel is exploring this further and we anticipate guidance to campuses before the fall semester starts.

Action Items

- Please feel free to bring any issues that may come up between now and the next meeting to EHS for discussion and follow up
