## How to Connect to SJSU-VPN Using Cisco AnyConnect (For MacOS) Faculty and Staff ONLY

## NOTE: This guide is for SJSU Faculty and Staff only. If you are a Student looking to connect to VPN, please go to the <u>VPN Guide for Students</u>

- 1. If you haven't already, please submit a ticket to IT requesting VPN access here
- 2. Download and install the Cisco AnyConnect VPN Client via the SJSU website
  - a. If you're using an SJSU issued computer and need assistance with installing the VPN Client, please contact your IT Support Tech.
- 3. Once the VPN Client is installed, open the Cisco AnyConnect application
  - a. Open Finder > Applications > Cisco

4. In the box, type vpn.sjsu.edu. Click Connect.

Last Updated: February 19, 2021

a. Select the Staff-Faculty-SSO group

Please complete the authentication process in the AnyConnect Login window.		
Group:	Staff-Faculty-SSO	
	Cancel	

5. A window will pop up with a Single-Sign On page, similar to how you log into other one.sjsu.edu apps. Log in with your SJSUOne ID and password.
