

SAN JOSÉ STATE UNIVERSITY

Dear Spartans,

Deloitte, our partners on the [Learning Space Upgrade and Academic Technology Strategy \(LSUATS\)](#) project, held an in-person town hall earlier this month to engage with our university and hear directly from our students, faculty, and staff. Because campus engagement is critical to the success of the LSUATS project, Deloitte will be hosting a follow-up virtual Town Hall via Zoom.

Virtual Town Hall for Learning Space Upgrade and Academic Technology Strategy (LSUATS)

Thursday, October 24, 2024
2:00pm - 3:00pm

[REGISTER TODAY](#)

During the virtual session, Deloitte will provide a progress update and will be seeking your feedback throughout this virtual event, conducting a survey and hosting a dedicated Q&A session. Thank you to everyone who attended the in-person event for contributing to the positive energy and engaging discussions during the event. You can review the presentation from the in-person town hall [on the project website](#).

If you have any questions about this event, please feel free to reach out to me or any of our [steering committee members](#).

Thank you,

Kara Li

SJSU IT Associate Vice President for Strategic Planning and Portfolio Management,
Interim Associate CIO, and LSUATS Project Engagement Lead
