The Curriculum

◆ Curriculum Core

Participation in meaningful occupation to promote health, well-being, and social inclusion across the lifespan

◆ Mission

The Occupational Therapy Department at San Jose State University is dedicated to preparing culturally diverse occupational therapy leaders who promote health and participation in life for individuals, organizations, and populations through engagement in occupation.

Curriculum Design

- ◆ The curriculum is designed to enable students to acquire the knowledge and competencies necessary to become a qualified occupational therapist within four semesters of graduate academic study and six months of internship (fieldwork).
- ◆ The curriculum is centered on the principle that participation in meaningful occupation promotes health, well-being, and social inclusion across the lifespan.

Curriculum Clusters

- ❑ Occupation-The Core of the Profession
- ❑ Foundations for Occupational Therapy Practice
 - ❑ Professional Development
 - ❑ Practice in the Community
 - ❑ Research and Knowledge Development
 - ❑ Practice of Occupational Therapy.

Curriculum Design

- ◆ Classes are small in order to foster an active learning environment that will encourage students to develop strong clinical reasoning and creative problem solving capabilities. Students refine skills in selecting, evaluating, and applying information in order to engage in evidence-based practice. Throughout the program, opportunities to interact with therapists and clients in clinical and community settings enable students to apply theoretical knowledge to practice.
- ◆ International Experience

International Experience

- ◆ The overall goal for the international experience is to gain cross-cultural insight into the political, social cultural and economic factors that influence the provision of occupational therapy services outside of the US.
- ◆ Time abroad ranges from 1-3 weeks during the Winter or Summer session
- ◆ Students register for 1-6 units of coursework
- ◆ These courses fulfill requirements for the degree
